

NATIONSWORSHIP

PREPARING TO HOST A NATIONSWORSHIP WATCH PARTY

THANK YOU FOR LEADING OTHERS IN WORSHIP!

BEFORE OUR EVENT BEGINS

- Prepare your choice of international snacks to encourage sharing and fellowship before and after the broadcast
- Find a candle and a lighter to be used during the prayer time. If in a home, put the candle on a table in the middle of the room; if in a church, on a table in the front.
- Hook up a laptop (or cast) to a large TV or projector. Arrange chairs so all can see the screen (as appropriate for social distancing).
- The pre-roll begins at 7:10pm EST (-5 UTC). The worship broadcast begins at 7:30pm EST. The live broadcast link will be posted at globaldisciples.org. The event will also stream live from Global Disciples Facebook page. Encourage your guests to share these links with their friends.
- Download and copy the Worship Program and Prayers & Scriptures from www.globaldisciples.org/nationsworship to distribute to each person (optional).
- Spend time in personal prayer preparing for worship.

DURING WORSHIP

- Encourage all to join in worship and prayer. Set the example by actively singing, praying, and worshipping.
- Be ready to light the candle in the "Lamentation section" during the words, *We light our candles as a symbol of hope as we lift our sorrows to the Lord and pray for those who are enduring suffering for the sake of Christ.*

AFTER WORSHIP

- Please collect names, email and mail addresses of those who would like to be on the Global Disciples mailing list—and email them to nationsworship@globaldisciples.org. Guests can also connect with us at globaldisciples.org/contact-us/

AT THE END OF THE EVENING, YOUR GUESTS SHOULD KNOW

- One third (1/3) of our world has not yet heard the good news of Jesus Christ.
- Many of those are within reach of a local church.
- Global Disciples partners with church networks in 62 countries to equip people to reach their nations.

Thanks again! We pray that the name of Jesus will be lifted high through this evening's worship and that more of His followers will be moved to be involved, until all nations worship!
