

Thursday

Asia

- Over 5,000 people groups in Asia are unreached. Pray that God will open doors for the Gospel of Jesus to be shared and welcomed among these groups.
- Many countries in Asia restrict or oppose Christians. Ask God to change the hearts of leaders in families, communities, regions, and governments so they will be open to Jesus Christ.
- Pray that 'secret believers' would experience spiritual growth and be grounded in God's Word, even in isolation or when facing opposition.
- Pray for strategies and open doors that give disciples of Jesus access to nations, regions, or people groups so they can share Christ and multiply disciples.
- Pray that attempts to silence God's truth would instead cause it to spread further and faster.

Friday

Hinduism

- About 1 out of every 7 people in the world is a Hindu, but only 13% of Hindus have ever met a Christian. Ask God to send His people as friends to introduce Hindus to Jesus Christ.
- Hindus believe in a cycle of birth, life, death, and rebirth; all thoughts, words, and actions shape the next life you experience. Pray for them to see how Jesus sets them free and gives eternal life forever.
- Rituals like sacrifices, pilgrimages, and meditation show devotion or appease any of the millions of Hindu gods. Pray for Hindus to accept the sacrifice Jesus made and the forgiveness He offers.
- Hindus are open to the Gospel when they see Jesus answer prayer through a miracle. Ask the Holy Spirit to answer with mighty works when Christians pray for their Hindu neighbors.
- Pray for many to be freed from the bondage of spirits within Hinduism. Ask God to protect disciples of Jesus as they operate in these spiritual battlefields.

Saturday

You & Your Family

- Ask God to give your family open eyes and compassionate hearts to see and serve those who need the Good News of Jesus.
- Ask God to show you ways to help reach least-reached people today. Ask Him to prepare you for conversations or opportunities He gives you.
- Do you know someone who needs to hear about Jesus? Ask God to show you how to share Jesus' love and salvation with that person.
- Pray for Global Disciples and others who equip Christ-followers to share Jesus with least-reached people. Ask God to bless and multiply His disciples around the world.
- As a family, choose a country or least-reached people to pray for regularly. Connect with a missionary from your church or with Global Disciples for prayer points and stories of God's work among the people group or nation.

More Ways to Pray

To pave the way for the Good News of Jesus, here are seven ways you can always pray for least-reached people.

Ask God to make Himself known to those without the Good News through His people, and through visions, dreams, and miracles. Praise Him for doing the impossible!

Pray for open doors. Ask the Lord to nurture connections and relationships between individuals or groups that will give access to least-reached people.

Ask God to give courage, protection, anointing, and maturity to disciples of Jesus among a least-reached people, that they speak the Gospel boldly, show compassion, and walk worthy of Christ.

Pray for more near-culture workers to gain access, build relationships, and share the Good News of Jesus, even when it's hard, dangerous, or discouraging.

Pray for churches to increase their vision for reaching least-reached people within their reach. Pray for leaders and trainers to equip people to go as workers.

Pray for salvation and changed hearts for those who oppose the Gospel, especially religious and political authorities at the national, regional, or community levels.

Ask the Lord to give you a heart for least-reached people around you—those from other places, or those who don't yet know Jesus loves them.

Praying for Least-reached People

A Family Guide from

global disciples

Sunday

Latin America

- Latin America has 72 unreached people groups, some in hard-to-reach places. Ask God to give His people vision and courage to take the Gospel to these groups.
- While Christianity is their religion, many people practice *Espiritismo* (spiritism) searching for help and hope. Pray that the hope of Christ breaks the bonds of tradition and superstition, and brings true life.
- *Espiritismo* takes many forms through rituals, magic, consulting the dead and other spirits, and witchcraft. Pray for people to embrace the Holy Spirit as the only spirit they need for life and godliness.
- Ask the Lord to give His disciples wisdom and discernment about spiritual and cultural issues as they share the Gospel and disciple new believers.
- Pray that those who passionately follow Christ will be His witnesses and eager to make new disciples.

Monday

Islam

- About 1 of every 4 people in the world is a Muslim, but only 10% of Muslims know a Christian. Ask God to open doors for the Gospel especially in North Africa, the Middle East, and Central Asia.
- Many Muslims are unhappy or disillusioned with Islamic radicalism. Ask God to reveal himself to them miraculously and lead them to a Christ-follower who can disciple them.
- In Islam, Allah is the one god, holy and just, but unknowable and never called "Father." Pray for Muslims to know the love of God the Father through His Son, Jesus Christ.
- In Islam, eternal Paradise is granted if Allah is pleased with your devotion and faith, but it's not guaranteed. Pray that Muslims discover how eternal life comes through Jesus and not ritual or behavior.
- Pray that first-generation believers in Muslim families will be faithful to Jesus and bold witnesses for Him, even when they are lonely and persecuted.

Tuesday

Africa

- Africa has over 900 unreached people groups. Pray that Christians with access to these groups will be bold and eager to share the Good News of Jesus with them.
- Ask God to pour out His power through dreams, visions, miracles, and through His Word and His people, so that many come to faith in Jesus.
- Pray that those who come to faith in Jesus will grow spiritually and build strong, mission-minded churches among their people.
- Ask God to give boldness and divine favor for new believers among least-reached groups as they share their faith in Jesus with their own people and beyond.
- Over half the people in Africa are under 25 years old. Pray that many children and young people will put their faith in Jesus, becoming strong spiritual leaders and a blessing to their nations.

Wednesday

Buddhism

- Over half a billion people are Buddhist; most live in countries where Christianity is restricted. Ask God to open doors for Christians to share Jesus in those places.
- Buddhism focuses on escaping suffering to achieve a state of personal peace called nirvana. Pray for Buddhists to hear that Jesus carries their suffering as His own, and He gives them true peace now and forever.
- Buddhists do all they can to make themselves "right" and improve the cycle of rebirth. Pray that they discover only Jesus can make them "right" through His gift of salvation.
- Pray for followers of Jesus to be compassionate and clear as they share the grace, love, and forgiveness He provides to the Buddhist.
- Pray that God's irresistible love and hope would draw many Buddhists to hear and embrace the Good News of Jesus.

As Global Disciples, we believe that prayer is essential to the mission of reaching least-reached people with the Good News of Jesus. We have seen God do the impossible when we pray, and we invite you to participate, using this guide.

Each day focuses on a region or religion, and offers several prayer points for you and your family. It's up to you to use it as you would like—a request or two each day will take you through a month, or pick and choose any or all requests daily. When you and your family pray, know that you are participating with disciples around the world to multiply Christ's Kingdom.
