

Until All Hear Webcasts – Schedule and Content

Webcasts begin at 7:30 pm Eastern Daylight Time

Wednesday, May 21

1. Steve Sanford, Ethnos 360
 - o **When God's Word Takes Root - Darkness to Light** -- In 2023, the Moi people group in the Asia Pacific region celebrated the momentous occasion of God's goodness to them when they dedicated the New Testament in their heart language. This is the story of a group of missionaries who planted the seeds of the gospel and how they took root.
2. Brian Heerwagen, MissionWorks
 - o **The Heart of Global Missions** – Mobilizing workers until there's no place left without the Gospel. Our goal is simple: to empower more people like you to engage in mission work effectively, efficiently, and with lasting impact.
3. Marv Newell, Missiologist/Author (15:08)
 - o **Taking You Under My Skin** – Marv discusses his new book – a novel – that underscores the challenges that transform an unreached people group during the Vietnam War.
4. Ken Katayama, Crossover Global (16:59)
 - o **Realities: Taking the Gospel to the Unreached** – Ken shares his personal experiences among the Unreached and the work Crossover Global does to plant multiplying churches where none have existed.

Wednesday, May 28

1. Aréanna Kroll, Global Disciples (13:34)
 - o **Equipping People to Reach THEIR Nations** – Partnering with local churches to equip their people as near-culture workers with access to least-reached people.
2. Greg Kelley, Unknown Nations (15:56)
 - o **Stories from the Front-lines: The Deadliest Place for Christians** – Hear updates from an indigenous leader how God is moving in the midst of extreme persecution. How can we give encouragement and support to the indigenous church? This is a revealing conversation you won't want to miss.

Wednesday May 28, continued

3. Tim Whitehead, Galcom Int'l
 - o **Radios Around the World** – How radios are making it possible to present the Gospel across the globe. Learn how this outreach is transforming countless lives, like those of the Samburu people in Kenya.
4. John Pudaite, Bibles For The World
 - o **God's Word Turned Head-hunters into Heart-hunters for Jesus Christ** – How a single Gospel of John transformed an entire tribe of fierce headhunters...and how God's Word is impacting Unreached peoples in SE Asia.
5. Dave Meyers, ZimZam Global
 - o **Reaching the Unreached – Through the Catalyst of Children!** – See how God is transforming communities through a strategy called "CPR" – church planting remixed.

Wednesday, June 4

1. Darrel Templeton, MegaVoice (15:53)
 - o **Partnering Together** – How MegaVoice technology can have a dramatic impact working among Unreached peoples.
2. Dr. Joshua Paxton, Burnham Center for Global Engagement (19:38)
 - o **The Intentional Church** -- Reaching the Unreached does not "just happen." It takes intentional involvement of local churches and specifically local church leadership.
3. Nehemiah Paul, FMI (07:44)
 - o **Light in the Shadows** – In regions of the world where the Gospel cannot be openly shared, the Light of Christ still shines. Innovative strategies, discipleship, and community impact are making a difference in creative access countries, where FMI stands with the persecuted and equips the next generation of Christ-followers.
4. Jon Eckstein, SEND International (08:24)
 - o **Proclamation and Community Transformation** – In SE Asia, Team Hope works among Muslim populations to proclaim the gospel and help transform communities. From agriculture initiatives to medical missions, locals are coming to Christ and being baptized as they experience the transformative power of the gospel.
5. Ted Esler, Missio Nexus (15:47)
 - o **Innovation in Missions** – A conversation about the role of innovation in reaching the Unreached with the gospel.
